Logo Match

On designated part numbers we will imprint, at no charge, a matching logo (up to 3 colors) equivalent to the logo applied to the kit. Items designated with the logo match symbol are eligible for this free service. There are no additional costs for set up, additional colors or PMS matches on items printed to match the kit. Ready 4 Kits will imprint the additional items with the exact color combinations provided for the original imprint. (Fees for additional colors and color matching on kit still apply.)
